MEDICAL TREATMENT RELEASE, RELEASE FROM LIABILITY, INDEMNIFICATION

I hereby authorize the camp staff to act for me according to their best judgment in any emergency requiring medical attention, including transport to medical facilities, and specifically consent for my daughter to be treated by a private physician and/or hospital for any illness or injury. I further agree that I will pay for all costs arising from such treatment. I authorize the release of all medical records to the staff of HGC. I am aware of the risk of injury that may result from participation in gymnastics and other activities at the camp. I understand that participation in gymnastics involves motion, rotation and height in a unique environment, and as such carries with it the risk of serious injury or death. I have discussed the risks with my daughter, voluntarily consent to my daughter's participation, and assume the responsibility and risk such consent entails. I hereby waive and release HGC and its staff and the camp coaches from any and all liability for injury or illnesses incurred while at camp or being transported by camp staff and agree to indemnify them for all claims.
